How many **rooms** are there?

There are five rooms: two **bedrooms**, a **bathroom**, a **kitchen**, and a **living room**.

A new house

1. **Read** the text.
2. Then **answer** the questions with a partner.

Jim and Jane have a new home in the countryside. Every morning they wake up early and sunbathe on the balcony. Then they go downstairs and eat some breakfast with fresh orange juice.

They bought this house because they want to enjoy a peaceful country life. They also chose it because it has six bedrooms and they want to have six children. Maybe it won't be so quiet after all!

Where do Jim and Jane live?

Why did they move there?

What do they do in the mornings?

What is in your house?

List everything that is in your house in the correct category.
